REJUVA[®] Designer Compression

Great for        

What is Rejuva compression leg wear?

Rejuva is a collection of compression therapy products made to medical grade specifications that has been curated by the worldwide leader in compression therapy, medi. The Rejuva collection is made up of a fashion forward of knee-highs patterned socks and full-length leggings. These products deliver the health benefits one would expect from wearing compression therapy while completing the individual style within one's wardrobe.

Who wears Rejuva products?

The Rejuva customers are active men and women who want to look and feel good. They wear Rejuva products to compliment their outfits at work, out to brunch with friends, or a night on the town. They use Rejuva products to display their trendy side while making a break from their every-day use of solid compression leg wear.

Recommended for:

- ✓ Flying & travel
- ✓ Prolonged sitting or standing
- ✓ Swelling & discomfort
- ✓ Athletic recovery
- ✓ Spider & varicose veins
- ✓ Pregnancy
- ✓ Medical application as physician recommended

Why Rejuva?

- ✓ Participate in the growing segment of compression therapy
- ✓ Capture a targeted demographic
- ✓ Complimentary product to medical lines
- ✓ Inspire the reluctant consumer or patient

Rejuva Herringbone

Such a *classic*.

Usually woven into fabrics such as tweed or wool and used for suits and outerwear, the herringbone pattern is reminiscent of menswear and structured, "*put-together*" looks. Our version has a nylon / spandex blend that will stretch for your comfort, and will look great whether worn under dress pants or more casual bottoms.

Houndstooth

A *touch* of luxe vintage.

Give your outfit a touch of vintage with our houndstooth socks. Popularized in the 1930's, this *classy* and *timeless* pattern evokes an air of sophistication and a luxe, effortless lifestyle. In a cut and pattern flattering for both men and women alike, these socks will ensure you never go out of style.

Argyle

Old school is now *new* school.

Argyle became fashionable after World War I when athletes started sporting the pattern as part of their competitive attire. University students then followed suit, integrating the pattern into their preppy style. Give your outfit a dash of argyle for that sporty prepster look.
